

International Symposium on: Innovative Teaching & Learning in Sustainable Seafood)

An international symposium organized to contribute to the education and training in the field of sustainable seafood and nutrition security.

Objectives

1. Develop new and/or effective curricula that enhances employability
2. Share experiences of innovative teaching-learning and field experiences
3. Disseminate the outcomes of the project especially the curricula or offer a "show case" of project outputs
4. Exchange research and development (R&D) outcomes along the seafood value chain and ways to incorporate in curricula
5. Bolster further networking activities
6. Discuss further steps in developing new initiative to expand SSNS to the next level
7. Help create linkages to related initiatives at local, regional, national and global level
8. Develop a set of recommendations on sustainable seafood and nutrition security and their applications in teaching and learning

Abstract should be in extended form including introduction, methodology, conclusions and recommendations (max. 3 pages), in the formats of European Society Conferences. A hardcopy "Book of Abstracts" will be produced and distributed. A PDF file will be available online.

Symposium dates: 13-17 September 2021
Host: AIT (Zoom / online)
Registration fee: €50 (€20 for Students)

Early bird registration: 31 July 2021
Late registration (+20% fee): 12 Sept 2021
Abstract submission: 30 June 2021
Selection & confirmation: 31 July 2021

Abstract submission & registration

Contact email: gc.thai@gmail.com
Payment: Credit card, Paypal or bank transfer

Organizing committee:

1. Dr Ram C. Bhujel, AIT, Thailand (Convener)
2. Prof Rachel Norman and Dr Amaya Albalat, University of Stirling, UK
3. Dr Jorgen Lerfall & Anita Jacobson, NTNU, Norway
4. Dr Ioannis Karapanagiotidis, University of Thessaly, Greece
5. Ms Katerina Kostakou and Nefeli Bantela, EuroTraining, Greece
6. Dr Chanagun Chitmanat, Maejo Univ, Thailand
7. Dr Somsamorn, Khon Kaen Univ, Thailand
8. Prof Nguyen T. Phuong, Can Tho Univ, Vietnam
9. Dr Dang Lua, RIA1, Vietnam
10. Dr Nam Kha, Nong Lam University, Vietnam
11. Dr Alim Isnansetyo, University of of Gadjah Mada, Indonesia
12. Dr Ruddy Suwandi, IPB, Bogor, Indonesia
13. Dr Ilham, Jakarta Fisheries Univ, Indonesia

Programs

Date: 13-17 September 2021

Time: 2-5 pm Bangkok time each day

Day 1

Opening address by AIT President

• Guest speakers:

- Presidents/VPs of other partners
- Other distinguished persons from partner institutions
- Presentation of conference/project objectives/goals

Day 2

Invited country papers

- A representative from each of the 6-7 selected countries to present about the curricula and delivery methods on aquaculture / fisheries / seafood markets and processing and seafood sustainability.

Day 3 & 4

Thematic presentations

- Curriculum development
- Short-term Training
- Internship & field visits
- Teaching methods
- Presentations by:
 - teachers
 - Students
 - SMEs
 - NGOs
 - Others.

Day 5

Report by rapporteurs

- Summary of presentations & identify issues
- Panel discussion and conclusion

Note: A soft copy of certificate will be awarded to the presenters and participants after the symposium.
